

[China Stamping part, Manufacturer, Supplier, Factory, Exporter in china](#)

Stamping parts are also available in Ningbo Zhenhai Xinxie Machinery Co., Ltd. We have a sister stamping factory nearby us. All of the raw stamping parts are from our own sister factory. Large parts of our stamping products are automotive spare parts. We even are supplying stamping parts for famous American auto factories such as ford. For stamping parts, PPAP Level 2, Level 3 documents are available.

The stamping materials available in Ningbo Zhenhai Xinxie Machinery Co., Ltd. Range from steel sheet, aluminum sheet, iron sheet, to copper sheet.

Material: carbon steel, stainless steel, aluminum alloy, brass

Standard: ASTM, AISI, BS, DIN, JIS, NF

Facilities: press from 5MT to 400MT

Plate thickness: from 0.4mm to 15mm

Process: tooling making, stamping, cleaning

Finishing: polishing, plating, anodizing, painting and PVC powder coating

Inspection: coordinate measuring machine, optical comparator, surface indicator, chemical component analysis, hardness testing, tensile testing, impact testing

Welding and assembly are available
